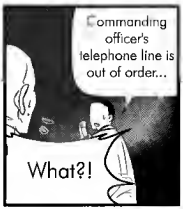
Shit! Did they get the auxiliary power while we were distracted?
The floodlight's batteries were also overtaken!
Bastard!!
Uwaa!!
At last, the stronghold
I need to find Elis quickly

009 Everyone's hearts are intertwined

DIA = Defense Intelligence Agency



Nnnn
Ridiculous!!!
Thase restraints were made from titanium and that was made of hardened glass! What are yau?!
This outfit is o personol model powered suit.

You had such power and... Why?
Because one of my duties is investigating what you are planning, so
I will still be collecting evidence in the future...
People who shamelessly make shady business with dogisians even though it is illegal...
ペキ
ポキ
Going easy on you will be useless, right?
ぶるぶる

So they hove yet to find the intruders location, huh?
Yes sir... Electric power is out above ond situotion has become complicoted...
Seemingly c-cute kitten plushies, but...
At one location there was a large van and at another location there was a black Mustang.
And at yet another place there were...
?
I don't wont to heor this nonsense! I want to hear the report!
What is the point of this, Mojor Hoitmon?
Right now we ore under counterattack from the cheery enemy assault.
That idiot...

Naw that yau have opposed the greot United States af America...
HA HA HA
Don't think you'll come back alive!!!
Though my dreams of Gulf Wor or Iroq were not to be!!
Now, to the front line!!
America's enemy is mankind's ene—AHHH!!

YEAH!!
Who cares about what methad we use you fu○king marine bastard!!
Commence the advance!!!
But sir... there is still the question of whether the local people are our allies.

What a complicoted problem...
Why didn't I go out to the front line myself? Con't he reflect on himself, that muscle-heod!

F

Leave it be.

Huh?

What should I do?
.....

E-Elis!!
!!!
!!!?
Cough
Cough
Wha—
What is this..?

Kio-san!
Elis!!
You were safe, huh? I'm so happy..!
ガラ
But I wonder what really happened...
Are those people alright
You came for me, didn't you Kio-san...
In short, I'm sure that assist-a-roids came to my rescue...

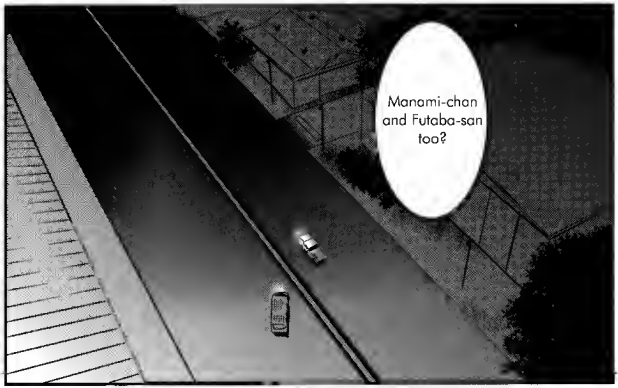
Thank you♡
I'm really happy!!
スリスリ
ぷにゃぷに
Wa-wa-a-wa-wa-wa-wa-!
E-Elis, it's fine, it's okay!!
Hey, let's get out of here quickly!

Uncle!!
Chh, did it hit my tire?

O...oh, it's Manami-chan, how unexpected.
What are you saying? Ahaha...
Thanks
Uncle, it's nice
meet you, I am
Futaba Aai.
Ah, my name is Miyagi
How is Kio-Kun? Where is he right now?
Speak of the devil.
It would seem he is safe, my nephew.

That's not true!
Though it seems that it wasn't neccesory for me to ossist her...
Yes, Elis is safe.

E-Eh!!?
...Eh?
Can't we meet somewhere, Uncle?
Now... We're riding in sensei's car.



Manami-chan and Futaba-san too?

As it is, we hove no choice but to breok through the front with my cor.
I requested a helicopter oheod of time, but it won't fit this mony people.
!!!
Eh... Futobo-san con do something so amozing.
In that case, I can fly a helicopter.
Even though there is a military grode transport service helicopter, operating it is a different story.
Where a takeress
Normally, one would think those turns you mode on modded Mustang are anything but "just a little"...
But if I say a thing I'll definitely be killed
Eh... uh, only a little...
I'm repenting, so I want to moke up for it...
Come to think of it...
I'd do onything for Kiocchi to forgive me...
Rother, this is just yet onother perk of Futobo-son. Me...

Could Futaba-san have come here for that reason" Ion..?
No... definitely not...
Something is coming. A big helicopter.
Look.
Huh?
バババババ
What's that? It doesn't seem to be packing firearms but...
It looks pretty unstable
Well, that's because it doesn't have enough height...

バババ
ヨロッ
Sigh... Nyaa... Wo...
ろーん
Eh?! You guys?!
I didn't expect you guys ta have been issued "Escape" cammand, but...
18
These little guys flew all the way here?
They have an assessment of the situation to some extent.
But I'm glad, with this we can escape...

ボ
Huh?!
What was that?
